<<-----

My presentation will last about 30 minutes and then we can have a discussion.

The number of seats in a session is limited to 50, but by distributing it over 4 time points, there will be enough free places. If you think a colleague should participate, please ask him to sign up (send me a mail).

To check if your computer will match the requirements for the session, please "[Try a test session](#)" link.

You also can download my instruction file: http://ag500.de/download/Attend_GoToMeeting2.pdf
